

# Third Activity

*Sept. 16, 2010*

1. Go to Google Sites and create a (strawman) webpage for this project.
2. Make it publicly readable. Email the URL to ([cs093tas@cs.brown.edu](mailto:cs093tas@cs.brown.edu)). We'll compare and contrast the pages during class. Don't bother putting real data into the page; just type in a few senator names and made-up scores to show what it'll look like.
